1. Hundepension WUFF is responsible for the boarding and care of the above mentioned dog for the agreed period between \_\_\_\_\_ and \_\_\_\_\_ according to conditions made known to the owner. (we ask you honour the agreed drop off and pick up times so as not to inconvenience other clients.)

\_\_\_\_\_

If the dog is not collected at the agreed time then Hundepension WUFF reserves the right to make other arrangements for the dogs boarding.

3. All dogs must be immunised against rabies, distemper, parvovirus and leptospirosis and must be wormed regularly. We would also recommend that dogs are immunised against parainfluenza infection.

**Dogs will only be accepted for boarding on receipt of the relevant immunisation documents!**

4. In case of illness or injury **the owner agrees all necessary treatment will be administered by a vet and agrees to pay all related costs.** In the event of a contagious illness which the dog may have had on arrival the owner is liable to bear costs of treatment of other dogs in our care, disinfection of the kennels and cost additional labour involved.  
The charge for visits to a vet is 15,- € per visit. In addition the owner will be liable to pay for veterinary fees and medication.
5. In order to protect your dog against ticks and fleas in the summer months we will administer the preparation „EX-SPOT“ on arrival. A charge of 5,- € for a small dog and 10,- € for bigger dogs over 20 kg will be made for this treatment.
6. Regrettably an unexpected death can occur at home or whilst a dog is in our care. Should we suspect that this fatality is as a result of an infectious disease and in order to protect other dogs in our care, it will be necessary for a post-mortem to be carried out by a recognised vet to establish the cause of death. You agree to this procedure and agree to pay all related costs.
7. The employees of Hundepension Wuff and all other parties involved in the care of the dog will only be held liable for gross negligence or intent.
8. The cost of boarding is **20,- €** per day per dog. **This includes food.**  
The day of arrival is **counted as a full day.**  
We will not make a charge for the day of collection provided that you collect your dog **before 12.00** (midday)

In order for your dog to adjust to being away from home we recommend that you bring your dog to us in the afternoon before his first night here. We recommend that you bring a favourite blanket or basket for your dog to use while he is in our care. We are not liable for any damage to these items.

The above costs and any incidental expenses apply to the agreed period only.

**The total charge for the agreed period is \_\_\_\_\_ €.**

**If you do not keep to the agreed collection day all subsequent days will be charged at 25,- € per dog per day.**

9. a) A cancellation charge of 50,- € will be made if you cancel the agreement up to 2 weeks prior to the commencement date.  
b) If cancellation occurs after this 2 week period prior to the date of arrival you will be asked to pay 50% of the total cost of boarding for the agreed period.

I have read and agree the terms and conditions as set out above.
